FOG RALLY 2023

The FOG RALLY* has become synonymous with community and camaraderie, charity and giving back. On September 7th, FOG RALLY 2023 kicked off with the Launch Party and fundraiser at the historic Presidio in San Francisco. The next morning, September 8th, the Rally Ferraris adorned in their full livery departed from Filoli Gardens in Woodside and made their way on a carefully curated route to the gorgeous Tenaya at Yosemite resort on the very edge of Yosemite National Park. On the way, we stopped in Merced for lunch and a Meet and Greet with Make-A-Wish families and kids, The Rally continued with a weekend of events and activities in and around Yosemite, culminating in a farewell breakfast on September 10th at the resort. The Wrap Party, the final event of the Rally, took place at the state-of-the-art showroom of our Presenting Sponsor, Ferrari Silicon Valley, on October 7th. Participants and Sponsors came together to share their Rally experiences, participate in the donation presentation to the Rally's beneficiaries and hear from them about the impact of our donation. It was the perfect end to everyone's Rally experience.

FOG RALLY 2023 jointly benefited Make-A-Wish Greater Bay Area, marking the ninth consecutive year of our charity partnership and the Ferrari Owners Charitable Foundation's Fund for Kids which provides grants to local organizations directly helping under-served kids and youth at risk.

We want to take this opportunity to again thank all of the FOG RALLY 2023 sponsors who together provided over \$135,000 towards the donations made this year!

* The annual FOG RALLY is organized by Ferrari Owners Charitable Foundation(FOCF), a 501 (c) (3) public benefit corporation. Since its founding in 2011, FOCF has harnessed the broad interest and passion for vintage and contemporary Ferrari automobiles to draw attention to and raise over \$3M for Bay Area organizations making a difference in the lives of children and their families.
